Wall Sculpture : Construction And Composition Workshop
Jenne Currie
Materials List

1 Sheet foam board 32" x 40" (3/16" thickness) make sure you buy this thickness. You can ask store clerk to cut into two pieces (32" x 20" each) for easier transport

1 Sheet corrugated cardboard 30" x 44" also have store cut in half if you like

Xacto knife with blades or similar brand

Acrylic paints - (Liquitex is less expensive) White, Black, Yellow Ochre, Raw Sienna, Burnt Sienna

Brushes (Richeson are inexpensive) One of each # 8, # 10, # 12 or similar sizes

4 sticks soft charcoal

2B pencil and eraser

BRING FROM HOME

Coffee can or similar size container for water

Paint rags or paper towels

Painting clothes or smock

Lunch (there is no food for sale on campus)

Note : students may want to bring in prepared drawings or designs to class so they can get right to work making a wall sculpture rather than coming up with an idea for one during the workshop.

all supplies available at Catskill Art and Office Supply in Woodstock 845-679-2251 or Kingston 845-331-7780
