

**Basic Drawing and Painting**  
**Tor Gudmundsen**  
**Materials List**

Supplies for my class will be simple for the first session. Bring all of the equipment and supplies that you already have for the medium (watercolor, acrylic, or oils) that you plan on working with. Please also bring a medium sized sketch pad, a pencil and eraser. It has been my experience that meeting with the student, sorting out what they have and adding to it is the least daunting way to get things going without spending a lot of money unnecessarily.

I expect each student to have an idea of their preference of subject matter, some examples of what they have done (if anything), and sketches and photos that they are interested in using for reference.

**ABSOLUTELY NO MINERAL SPIRITS OR TURPENTINE ARE TO BE USED ON PREMISES!!!**  
**ONLY LOW TOXICITY SOLVENTS SUCH AS *TURPENOID NATURAL* ARE ALLOWED.**

*Please visit the office for a comprehensive list of acceptable solvents.*
